4th Annual Oakdale Athletic Boosters Golf Tournament

With its natural beauty and rolling topography, Musket Ridge Golf Club encompasses some of the most scenic land the Mid-Atlantic has to offer. Its breathtaking views combined with impeccably conditioned fairways and greens provide a challenging course that receives continuous praise from both occasional and accomplished golfers. Encompassing over 150 acres of breathtaking views, Musket Ridge was the final gem by golf course architect Joe Lee. He called Musket Ridge the finest property he ever worked with, and used the natural contours to sculpt an exciting and picturesque course.
