

BCMS End of the Year Events

Dear BCMS Parents,

As another busy school year comes to a close, it is time to announce the key dates for end of year events. Ballenger Creek Middle School has traditionally done an 8th grade formal dance to commemorate the three marvelous middle school years of being a BCMS Bulldog. The May 10 8th grade formal, "Hollywood- A Red Carpet Event," was coordinated by the SGA. Students picked the theme and SGA advisors created a wonderful experience. Many thanks to all the parent volunteers who helped make it a memorable evening.

Please mark your calendars with dates and times of additional end of year BCMS events.

(*Note the events are referral free opportunities. Students who receive a referral during Term 4 may not attend.)
