

Good Afternoon Parents and Guardians,

I wanted to make you aware that the 8th grade Field Trip permission slip forms were handed out today, May 22nd. The 8th grade team will be taking students to Harpers Ferry National Historical Park, WV. The grade will be split into two groups by Language Arts classes. One group of classes will visit on Monday, June 10th and the other will visit on Tuesday June 11th.

Students who are attending Harpers Ferry on **Monday, June 10th** received a **green copy** of the permission packet. These students are in Ms. Remsburg's period 4, 5, 6, and 7 classes.

Students who are attending Harpers Ferry on **Tuesday, June 11th** received a **pink copy** of the permission packet. These students are in Ms. Remsburg's period 2 class and Mrs. Givens' period 5, 6, and 7 classes.

The first page of the 2 page packet is for you to keep at home - it has all information pertaining to the trip. Please send back the second page filled out along with payment by June 5, 2019. The cost of our field trip this year is \$8, cash or checks made payable to BMS accepted.

You can access the permission slip electronically using the links below just in case an additional copy is needed! Please have your child return the signed form with payment to their Language Arts teacher, ASAP.

I will be going over expectations for the trip soon with the entire 8th grade. Preliminary details were provided in advisory on Monday to the entire 8th grade. I will answer any and all questions students may have at that time too! Please feel free to email Mrs. Loetterle with any questions or concerns at amanda.loetterle@fcps.org.

Thank you,

Amanda Loetterle (8th grade team leader) and 8th grade team
