Liberty Elementary School

Today students enjoyed participating in the Extreme Eagles Obstacle Course. The PTA raised over $6,000 which will benefit all families at Liberty.

As we near the Thanksgiving holiday, I have spent time reflecting on things in which I am most thankful for as the principal of Liberty Elementary. As another year passes I feel fortunate to serve a school community who plays such an active role in supporting our learning community. Students at Liberty are showing kindness and respect to themselves and others. As I visit classrooms, teachers and students are working together to persevere and grow their brain power. I am a proud and lucky principal to be able to work at such a great place.

A thankful heart is a happy HEART
