## **A FALL TO REMEMBER**

The 2019-2020 Middletown High School Athletics season kicked off with the optimism and hope that surrounds every new season in the Valley. In just a short matter of time, that hope changed in to true belief as Middletown had one of their most successful fall seasons in recent history.

### **GIRLS SOCCER-**

The girl's soccer team recorded an 11-1 regular season with their only defeat coming to Urbana. The Knights would then move into the state tournament and find more success there as they would rattle off three straight one-goal victories to advance into the state semifinals. After exciting playoff games the girls soccer team advanced to the State Championship, where they came up short of the win in a 2-1 loss to Calvert.

### **GIRLS CROSS COUNTRY-**

The girl's cross country team had another banner season as they claimed a number of team and individual awards. The team finished 2nd in the state and Erin McQuitty was able to take home the individual state championship!

### **GOLF-**

The MHS golf team was shy of making states as a team but was able to sent Landon Leatherman. Leatherman represented the Knights well and shot a career best of 78 in the first round of the state tournament. He finished 15th out of 41.

### **BOYS SOCCER-**

The boy's soccer team also picked up some hardware as a successful regular season lead to the Knights clinching the CMC-Gambrill Division with a 6-0-1 record in the Gambrill Divison. Middletown's playoff run would be shortened early as they would lose in the regional semifinal round against Walkersville 2-0.

### **FIELD HOCKEY-**

The field hockey team would find some success during the regular season as they would be the second seed in 2A West-Region I. Unfortunately, Middletown would fall to the Lancers during the first game of the playoffs.

### **BOYS CROSS COUNTRY-**

The boy's cross country team showed promise as one of the Middletown teams with an exceptionally young squad as the Knights would show promise with Zachary Spurrier recording multiple top of the field finishes including a 33rd place finish at regionals.

### **VOLLEYBALL-**

The volleyball team showed some signs of promise as well as an extremely young squad battled hard in their games but could not come up with a playoff victory against Williamsport and ended their season without a win.

### **FOOTBALL-**

The football team made the playoffs for the first time since the 2016-2017 season. After intense games and excellent teamwork throughout the playoffs, MHS was represented at the State Championship game. Middletown beat Potomac 34-15! This the fourth state championship for Middletown Football, the last win was in 2013-2014 season.

**CONGRATS TO ALL ATHLETES, COACHES, AND STAFF MEMBERS ON YOUR SUCCESSFUL SEASON!**

## SPORTS CLUB SPONSORSHIP

The Middletown High School Sports Club is offering sponsorship opportunities for the upcoming 2019-2020 Winter Sports season. Sponsorship opportunities exist as part of our Ron Engle Court Banner Program or the Knights' Scorers Table Sponsorship Program.

The Knights' Court Banner Program a popular sponsorship program and is extremely successful during the Winter Sports season. Each company choosing this program receives a 3X5 banner hung on the balcony just above the benches and next to the entrance to Ron Engle Court.

This allows for a high degree of visibility.

The Knights' Scorers Table Sponsorship Program is our newest sponsorship here at Middletown and has quickly become one of the most cutting-edge sponsorship programs in the area. This program will allow your company to have sponsorship displayed on our new LED scorers table-up to 30-40 times a game. Simply put, this sponsorship is the most dynamic one that we offer and is great at catching eyes for your company and helping out with exposure for your business.

For more information about sponsorship, please contact Mike Brull at [mikebrull@yahoo.com](mailto:mikebrull@yahoo.com)

## WHAT WE DO

The Middletown High School Sports Club is a 501(C)3 organization dedicated to supporting athletic programs at Middletown High School in Frederick County, Maryland. The MHSSC has been able to provide student-athletes with training and safety equipment, uniforms and other resources which support their efforts to perform at their highest level.

The Middletown High School Sports Club essentially carries out there mission statement on a daily basis.; whether it be through the management of the accounts of the individual sports teams, the financial assistance with purchases or helping make the game day experience at Middletown High School one that is enjoyable and fun for everyone.

If you are interested in supporting the club either through donations or volunteerism, please reach out to [edelaute@mlend.com](mailto:edelaute@mlend.com). Emily is the Director of Communications and will be able to answer any questions.

## CHANGES AMONG THE BOARD

The Sports Club would like to thank Jennifer Brandenburg for her time volunteering. Jenn spent 4 years as the Club Secretary. She has helped organize meetings, minutes, distribute information, and been very active in volunteering at events and supporting the Middletown Knights. Thank you Jenn very much for your time and support!

The MHSSC would like to welcome Tien Wolfe as the new secretary and appreciate her willingness to support athletes and be a part of the program.

The Sports Club would like to welcome Vinny and Allison Flook as they are working together as the Director of Concessions. Them, along with their team, have been working closely with former Director Chuck Brandenburg to learn the huge part of the MHS sports that is concessions.

Thank you Chuck Brandenburg for your unbelievable amount of time and dedication to the MHS Athletic program. Due to Chuck's diligence and hard work, concessions are more successful now than ever. Thank you!

Welcome Brian Ropp! Brian took over in the summer as the Sports Club Treasurer. Brian has a banking background and is very excited to be a part of this community program.

The Vice President position is available. George Littrell, after many years of service (the last 3 with no child in the program) has resigned. George has given a lot of time to the Club and has been a pillar in the fundraising aspect. Thank you George!
