Principal's Messages

It is hard to believe that the first semester is over. As we enter the second half of the year it is time to focus on our goals. As a staff we work diligently to meet students' individual needs and help them grow as learners and citizens. If you have questions about your child's progress, please reach out to their teacher(s) who are always happy to share.

Quarter 1 & 2 Awards

On January 28 we held our first awards ceremony. Teachers recognized students for growth in reading, writing or math, being kind, mastering facts and attendance. Students earn tokens for their lanyards for these awards and other activities through out the year. Ask your child about their token lanyard and what they have earned.

Find Out First Information

All families with working email addresses were automatically signed up for Find Out First messages this school year. These messages sometimes come from Liberty ES and others come from FCPS directly. This is the best way to get information related to events happening at school and volunteer opportunities. Also, weather and school closing information is communicated via Find Out First in case of emergencies or inclement weather events.
