STAFF APPRECIATION WEEK

Thanks to all the families who sent in accolades, pictures, and videos for our Staff Appreciation Tribute. The PowerPoint slideshow was created by our secretary Erin Miller and is attached to this FOF. Please take a few minutes to relax and watch it with your child(ren). Make sure you have the volume up as there is music accompaniment. Thanks again for recognizing our staff in such a special way.

MARYLAND SCHOOLS TO REMAIN CLOSED THE REST OF THE SCHOOL YEAR – DISTANCE LEARNING CONTINUES

INTERIMS

Interims will be sent home tomorrow, Friday, May 8, by email or phone call. You will only receive one if your child is on the trajectory to receive an I-COL (Incomplete Continuity of Learning) for their fourth term grade. Students will receive an I-COL for lack of participation/engagement, lack of assignments turned in, or work turned in but not meeting the expectations or standards enough to receive a Pass. This is not meant as punitive but will give next year's teachers a starting point to know that the student might need some additional or supplemental support or re-teaching.

FCPS SURVEY

Thank you to the 345 people who have completed the survey! We appreciate your input and feedback. The survey closes tomorrow afternoon. If you would still like to take it, here is our school specific link: <https://www.surveymonkey.com/r/COLParent0702>

END OF YEAR

As you now know, our schools will continue on distance learning for the remainder of the year. At some point, I believe there will be a system for students/families to pick up their child's belongings and other items; however, we do not have guidance on that yet. At that time, pictures, Art to Remember items, and yearbooks would be distributed as well. Until then, all is safe and sound at school!

MEAL AVAILABILITY

We are pleased that FCPS will begin offering meals in our feeder area. The pick-up for meals is Centerville ES in the parking lot beginning Monday, May 11 between 11:00-1:00. These meals will be offered on Monday, Wednesday, and Fridays. Children do not need to be present nor do you need to present any form of need. If you are in need of meals for your children, please take advantage of this opportunity.
