Schoology

What to do?

Your child's learning management system.
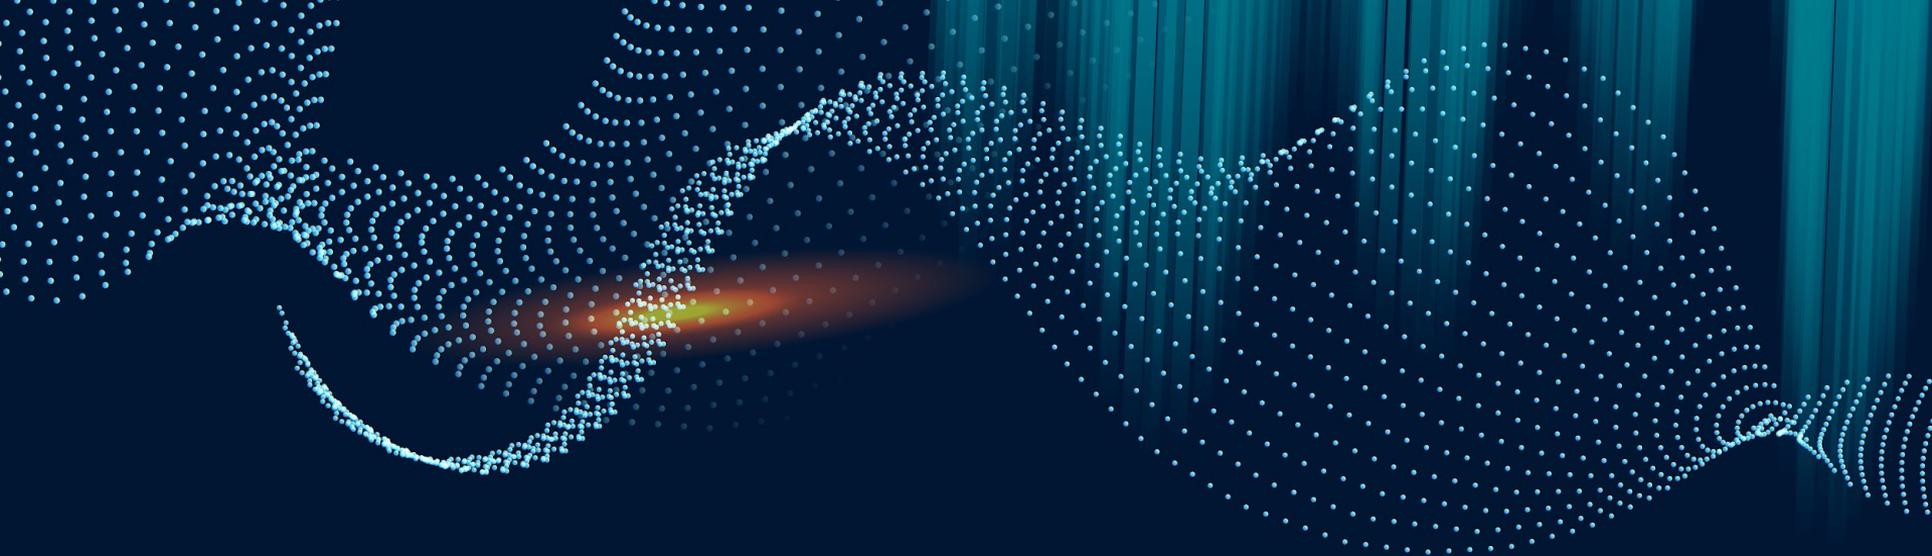

01 | What is Schoology?

What is Schoology!

Schoology is Frederick County Public Schools selected learning managements system to support:

- course management
- mobile learning
- communication
- and collaboration opportunities.

During the school year all teachers will be using the Schoology Gradebook where assignment grades will be available.

02 | Parent Connectivity

Parent Connectivity

1. **Connect to your students in Schoology.**
   a. Make sure you have your child's unique 12-digit code Parent Access Code available to set up your account. You only need to do this one time for each child.
   b. *How to Create a Parent Account:*
      i. Video Directions
      ii. Written Directions

Click

Click Registrase somo padres para obtener una cuenta de Schoology nueva. Use el código de acceso para quedar automáticamente asociado a su hijo. (Video- Registrase Como Padres)

Note: FCPS employees must create a personal Schoology account with your personal email. Use the Linking Account Instructions to toggle between your personal and professional account.

Parent Connectivity (con't)

2. **Setup Your Notifications** to customize your Schoology experience and receive updates about your child's grades and activity in Schoology. Don't forget to add your phone number to receive customized push notifications.

Parent Connectivity (con't)

3. **Get the Schoology App on your device.**
   a. Download the Schoology App on your mobile device today.

Parent Connectivity (con't)

4. **<u>Have Your Schoology Account?</u>** Click on our <u>Parent View playlist</u> to see all our parent account training videos or select from the menu below create the best user experience.

Student View Videos for Parents and Daycare Providers

This playlist of 10 videos covers many of the important functions that students will need to know when they start using Schoology. It covers:

1.   Logging into Chrome
2.   Logging into Schoology (and Clever)
3.   Schoology Overview (Elementary)
4.   Schoology Overview (Secondary)
5.   Schoology Overview - Course Deep Dive
6.   Set Homepage to Course Dashboard
7.   Messaging a Teacher
8.   Recording Audio/Video
9.   Responding to a Discussion
10. Completing Google Assignments in Schoology

Please note students must have their access code/login information.
