SciFest All Access

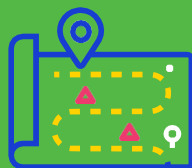

*A production of the USA Science & Engineering Festival
October 18th – 24th, 2021 / 30 days on-demand forward*

Join us for this exciting educational event! Last year's virtual festival welcomed 75,000 attendees from all 50 states and 99 countries. Our new virtual platform for 2021 will offer interactive and collaborative engagement for students, in connecting with future workforce partners and programs.

130+
VIRTUAL STEM
ACTIVITIES

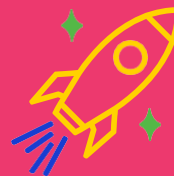

STEM
SCAVENGER
HUNT

This Global Virtual Science Festival will include 130+ exhibitors from a variety of industries. A scavenger hunt will encourage engagement within the exhibits and will include badges and prizes to motivate student participation.

The event lobby will guide attendees to participation within:

- Exhibit Halls / Zones
- STEM Scavenger Hunt
- STEM Educational Resources / Teachers
- STEM Projects Portal – for STEM Competitions
- Auditorium featuring STEM stage performances
