Registration is  
open October -  
February  
Meetings are every other  
Monday from 5:00-  
6:00 at the Natelli  
Family YMCA

## What is it?

Maryland Y Youth & Government is a model legislative program that teaches high school students how to make government work. They elect their own leaders, legislate their own bills, and lobby for their vision of a better tomorrow! No matter how much or little you know about government, we'll teach you everything you need to know as all of your efforts culminate into a 3-day in-person mock legislative session 4/23-4/25 with hundreds of other teens from all around Maryland.
