## Registration for courses for the 2022-2023 School Year

Over the next few weeks, counselors and administrators will be visiting FLEX classrooms to discuss course selection for the 2022-23 school year. While this may seem early, in order to ensure that the appropriate courses are offered, we must have accurate registration information early.

Please take some time to discuss course sequencing with your student over the next weeks, and help them make the best possible choices.

The FCPS Course Offering and Course Planning Guides are available at <https://www.fcps.org/academics/high-school-course-guides1>

Reach out to your student's counselor *after* they have been visited in FLEX with any additional questions.
