Registration for courses for the 2022-2023 School Year

Over the past few weeks, counselors and administrators visited FLEX classrooms to discuss course selection for the 2022-23 school year. While this may seem early, in order to ensure that the appropriate courses are offered, we must have accurate registration information early.

Counselors were in 10th grade FLEX sections during the week of December 7 – 10 and in 9th grade FLEX sections the week of December 13 – 17.

Current 10th and 11th grade students – if you have not yet turned in your registration form, please do so prior to leaving for Winter Break

The FCPS Course Offering and Course Planning Guides are available at <https://www.fcps.org/academics/high-school-course-guides1>

Reach out to your student's counselor *after* they have been visited in FLEX with any additional questions.
