

# Give your career a fresh look

We are looking for Groomer Trainees to join our pack!

Start your career in grooming as a Groomer Trainee and have the opportunity to build personal relationships with your clients each time they visit and truly become a part of their family. You'll get to know their pets' styles and personalities to create a customized, stylish experience just for them! From that first shampoo to that final strut home, you'll take pride in the services you provide!

As a recognized essential retailer, PetSmart is committed to caring for our teams and supporting the people, pets, and communities that rely on our stores. We've implemented several measures, including requiring face coverings, social distancing, and enhanced cleaning and disinfecting protocols, to make our stores and salons as safe as possible.

## At PetSmart...

- We value and prioritize your work-life balance. You'll have a reliable work schedule you can plan for.
- We guarantee hourly pay with additional earning potential through commission.
- We'll provide industry-leading equipment, grooming tools, and supplies so you can focus on your masterpieces.
- You bring the passion and we'll bring the training. PetSmart offers a free, paid training program that will set you up for success.

## Other cool stuff...

- Paid time off and health benefits for full time associates.
- 401K/RRSP, tuition assistance, parental leave (US Only), relocation, Employee Assistance Plan, etc.
- Associate discounts and many corporate discounts (wireless, computer, hotels, etc.).
