2022-2023 Student Schedules and Summer Counseling Office Hours

Student schedules for the 2022-2023 school year will be available on Thursday, August 4, 2022 via systemic email sent to parents / guardians, and will then be visible in Schoology on August 8th.

Counselors will be working on making sure student schedules are complete and balanced throughout the summer. Counselors MAY need to contact parents / students if there is an issue with a schedule or conflict with courses requested. When needed, counselors will reach out to parents / students via email and FCPS student email.

Due to the FCPS Summer schedule (system is closed on Fridays), and the fact that counselors do not work every day during the summer, there may be a short lag time in response to your email. However, we will do our very best to respond to you in as timely a manner as possible.

We appreciate your understanding and patience as counselors work on schedules, wrap up the current school year, and plan and prepare for the new school year.

Graduates – if you have not yet indicated in Naviance where you need your FINAL TRANSCRIPT sent, please do so ASAP!

Final Transcripts will be sent to those colleges / universities indicated in Naviance during the **week of June 6, 2022.**
