FAFSA Finish Workshop

Are you feeling overwhelmed or uneasy about completing the FAFSA for your senior this year?

85% of all college students receive some form of financial aid. Complete your Free Application for Federal Student Aid (FAFSA) with the assistance of financial aid experts at one of our free hands-on workshops. Participants could receive one of several \$500- \$2,000 scholarships upon completion of a post-event survey.

These appointments are also available to assist families in completing the Maryland State Financial Aid Application (MSFAA). The MSFAA allows qualified children of undocumented immigrants, who qualify for in-state tuition under §15–106.8 of the MD Education Article, to apply and be considered for certain types of state-based financial aid.

FAFSA and MSFAA applications must be completed by March 1, 2022, for a student to be considered for state-based financial aid.

If a student is having an emergency or is using their crisis pass, they do not need to make an appointment before coming to Student Services.

We will be sharing these links in each Schoology group by grade for the students to access.
