Explore the Arts and Express Yourself

National PTA's **Reflections** program provides opportunities for recognition and access to the arts which boost student confidence and success in the arts and in life.

Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps them explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning that will help them become more successful in school and in life.

The 2022-2023 Reflections Theme: **Show Your Voice!**

Students submit their completed works of art in one or all of the available arts categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts.

Special Artist are encouraged to participate. (All grades welcome). *Students who identify as having a disability and may receive services under IDEA or ADA: Section 504 may enter in the Special Artist Division or grade division most closely aligned to their functional abilities.*

Entries Due December 12th, 2022.

This is the second Monday in December.
