## Women In Science and Engineering

[sites.google.com/fcps.org/wise](https://sites.google.com/fcps.org/wise)

You're invited to join the Frederick County Public Schools WISE (*Women in Science and Engineering*) program designed to encourage high school women who show academic interest in STEM (*Science, Technology, Engineering, and Math*) careers. As a group, females have been identified as underrepresented in the fields of science and engineering; however, all students, are welcome to participate.

### **WISE would be a program to consider if you are interested in:**

- Learning more about what it really means to be employed in a STEM career
- Exploring a variety of STEM fields
- Opportunities to meet staff of internationally recognized research facilities in and near Frederick County
- Participating in hands-on learning experiences related to STEM careers
- Meeting other students from FCPS who share similar interests in STEM

### **WISE Meeting Dates 2022-2023: 1/18, 2/8, 3/15, 4/26**

- Location:** Earth and Space Science Laboratory (210 Madison Street, Frederick, MD 21701)
- Time:** 6:00 – 7:15 PM (4/26 only: 6:30 – 7:45PM)
- Participation is FREE!
- No pre-registration needed. Bring a friend!
- Contact us if you have any questions using the information below.

We look forward to you becoming a part of this amazing opportunity!

Sincerely, Colleen Beall and Carrie Crawford
