

**FREE FOR STUDENTS**

# SUMMER 2023 BIOTECHNOLOGY PROGRAM

Monday-Thursday June 12-22, 2023 • 10:00 a.m. - 2:00 p.m.

**FCPS students graduating in spring 2023 are invited to participate in this all-new program delivering an introduction to the local biotech industry.** In addition to exploring the world of biotechnology at Frederick Community College, the program includes opportunities to earn industry-recognized credentials and utilize program support to gain an entry-level position in the local workforce.

FCPS juniors will be accepted if space allows.

Frederick Community College prohibits discrimination against any person on the basis of age, ancestry, citizenship status, color, creed, ethnicity, gender identity and expression, genetic information, marital status, mental or physical disability, national origin, race, religious affiliation, sex, sexual orientation, or veteran status in its activities, admissions, educational programs, and employment. • Frederick Community College makes every effort to accommodate individuals with disabilities for College-sponsored events and programs. If you have accommodation needs or questions, please call 301.846.2408. To request a sign language interpreter or if you have questions related to interpreting services, please email [interpreting@frederick.edu](mailto:interpreting@frederick.edu) or call 301.846.2408. Sign language interpreters will not be automatically provided for College-sponsored events without a request for services. To guarantee accommodations, requests must be made at least five workdays in advance of a scheduled event. • If your request pertains to accessible transportation for a College-sponsored trip, please submit your request at least 21 calendar days in advance. Requests made less than 21 calendar days in advance may not be able to be guaranteed.
