February Recap

Mission accomplished! Enough kidney tables have arrived to outfit all K-1st grade classrooms, providing our youngest learners with comfortable and supportive learning spaces.

Bonus news? The recess carts rolled in a month ago, and the kids are having a blast with them already!

The Readathon kicked off with an "Adventure in Reading" assembly on February 26th.

A huge thank you to the over 80 volunteers who helped make the Winter Wonderland a reality! The event brought together 350 students for a night of fun and festivities.

fundraising goal

Upgrade alert! We're raising funds to replace aging Prometheon boards with modern boxlights.

Why the switch? Brighter displays, more engaging learning, and better compatibility with devices!

If the fundraiser raises 24k, the PTA can invest in a boxlight for each grade.
