LIBRARIES

fcpl.org/StudentSuccess

Students with Frederick County Public Schools (FCPS) can access a variety of library resources and materials offered by Frederick County Public Libraries.

Using their FCPS student ID number, students can now:

- Borrow three print items (books or magazines) without any late fees
- Access eBooks, available at fcpl.org/download
- Use learning resources such as encyclopedias, journal articles and test prep, available at fcpl.org/learn

How it Works

As an FCPS student, you can use a combination of your student ID number and a special prefix to access library resources.

- **At the library:** Type 119829 followed by your eight-digit student ID number into a self-checkout machine or visit the circulation desk to check out materials.
- **Online:** Type 119829 along with your eight-digit student ID number as the username. Then use "student" as the password.

Keep your current FCPL card!

Students who already have a Frederick County Public Library card can keep their card. It will allow you to borrow up to 75 items and access additional materials, such as DVDs and video games.

For more information about getting a library card, visit **fcpl.org** or **your local library.**
