

## High School based Dual Enrollment Directions for Paying Tuition Online

For school based dual enrollment students, the high schools work directly with FCC to register students. Once a student is registered for a course and a schedule is created, an electronic invoice is automatically generated and sent to the student's FCC email account. Students who completed the online application to FCC should have received an admissions letter. The student ID number and email account information is included in the letter. If a student applied but did not receive a letter, contact the Admissions Office (301-624-2716). Payment directions are below. Contact the Bursar's office with questions about payments (301-846-2456).
