

# ARTIST WORKSHOP

This year we are excited to announce that we will be having artist workshops again. These workshops are offered to only 1st through 5th grade students. There will be two types of artist workshops focusing on a particular project. Each workshop will be two **40 minute sessions**. Students will get to explore and create an art piece during their workshop.

We will be able to take 20 students per workshop. Students will be randomly selected and will try to be placed in their first workshop pick, but if that workshop is full, they will have an opportunity to be placed in their second pick. Students will meet on their designated workshop dates held on Fridays from **2:50-3:30**. **Students must provide their own transportation and must be picked up on time.**

Letters will be sent home in the Thursday folders on **Thursday, April 4th** notifying you if your child was placed in a workshop or was not able to be placed in a workshop. Please fill out the attached form below marking the order of which workshop your child wants to attend and have your child return it to their homeroom teacher, by **Friday, March 29th**.

## **Workshop 1: Paper-Mache Pizza**

Sessions for this workshop will be held **Friday, April 12th and April 26th**.

## **Workshop 2: Emoji Embroidery**

Sessions for this workshop will be held **Friday, May 17th and May 24th**.
