March 30	Continuity of Learning Begins	

Next week EES will begin Continuity of Learning, beginning Monday, March 30! We are excited about this new learning opportunity for all of us, staff, students and families!

Your child's classroom teacher will reach out to you directly with details on how to get started on Monday. Platforms such as Schoology and Google Classroom will be used for online learning. Just a note, the Continuity of Learning modules coming from your child's teacher, will not be live.

Instruction should not exceed 90 minutes per day for students in PK-2, or 120 minutes for students in grades 3-5.

Pick up for families needing paper copies will be Monday, Wednesday or Friday between 10:00 AM and 2:00 PM. Families may drop off completed packets during the same timeframe.

If you need assistance, please contact our staff. We are happy to help.  
We hope everyone is happy and well, as we miss seeing our EES Eagles!
