Continuity of Learning Reflection for EES Students in grades 3- 5 only

Dear **Emmitsburg Elementary School** Parents/Guardians,

Today is the FCPS Reflection Day for students!

Emmitsburg Elementary School wants to hear from its students on their experience with distance learning. For today, please have your child complete **Emmitsburg Elementary's** reflection activity on distance learning.

To access the reflection activity, go to: <https://www.surveymonkey.com/r/EES0620StudentCOL>

This link is unique to **Emmitsburg Elementary School**. Please do not share with families and students in other FCPS schools. In addition, please note that this reflection activity is for FCPS students in Grades 3-12 only. Students in PreK-Grade 2 are completing a separate reflection activity that is led by their teacher.

Thank you for your commitment to supporting FCPS!
