Attention Parents/Guardians: Next School Year Inventory for Parents-

Yesterday you received an email with a link to the questionnaire *Next School Year Inventory for Parents*. It is important that you complete this questionnaire, as it seeks to collect valuable information specific to your child to assist our planning efforts for the upcoming 2020-2021 school year. If you have more than one child in FCPS, you will receive a separate email and survey link for each child. Please take a moment to complete the questionnaire for each of your children. The questionnaire is available in English and Spanish. If you require a paper survey, please contact your school for details. **This survey will remain open until Monday, June 22, 2020.**

Classroom Breakfast Program Update: During the last two years EES has been able to provide a classroom breakfast program, through FCPS Food Services as part of the Maryland Meals for Achievement (MMFA). This program was free and available to all children. EES will not have the MMFA program during 2020-21, due to the free and reduced meals rate falling below 40%. As we move into 2020-21, please complete a meals application, available online at <https://www.fcps.org> **All applications help our school.**
