## 2<sup>nd</sup> Grade News October

### Just a Note

### Reminders for this month...

Attendance is very important. Your child needs to be in school to experience the wonderful instruction we have to offer!

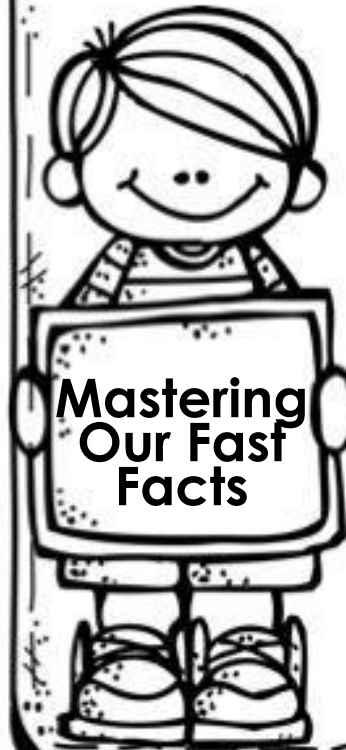

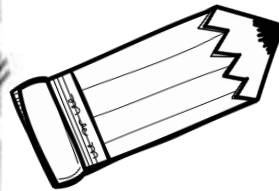

Please remember to check class websites for the most up-to-date information about what is happening in your child's classroom. You can visit class websites by going to the NFES homepage and clicking on the name of your child's teacher.

### Help at Home

2<sup>nd</sup> graders are working very hard on mastering two digit addition and subtraction.

Please continue helping your child at home with their addition and subtraction within 100.

Remember, a little practice each night goes a long way!

## Expectations

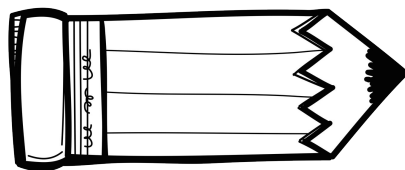

In 2nd grade, students are expected to fluently add and subtract within 100 using strategies based on place value. By the end of Grade 2, students are expected to be able to add and subtract three digit numbers within 1000..

## Two Digit addition Strategies

- Place value chart
- Doubles
- Doubles +1
- Making a ten to add on

What are  
we learning  
in 2<sup>nd</sup> grade?

This month we will be  
working on...
