URC is our community’s extension of Frederick County Parks and Recreation. Through Frederick County Parks & Rec, URC has prioritized access to athletic fields and facilities; and an ongoing dialogue with the county about our current and future needs, as well as a close partnership with Urbana High School’s leadership, coaches and boosters.

These materials are neither sponsored nor endorsed by the Board of Education of Frederick County, the Superintendent, FCPS, or any FCPS school. The Urbana Recreation Council (URC), is a 501(c)(3) nonprofit organization that serves Urbana and other surrounding communities.
