Crosswalk on Frederick Street/entrance to Walkersville Middle

We are receiving concerns that the crosswalk sign is not being observed to allow our students and staff to cross safely in the morning (7:30 – 8 am) and afternoon (3:00 – 3:15 pm). Question/Answer items:

There have been several questions lately regarding students “receiving a 2nd locker” for the winter. All students are assigned one (1) locker for use during the school day. WMS has not assigned additional lockers to students for several years as our WMS enrollment has increased significantly. We have limited lockers and must reserve our empty lockers for new students enrolling. 4-5 years ago, when WMS enrollment was smaller, 6th graders used to have the option of “using a bottom locker”. Unfortunately, this is no longer the case as enrollment has increased. We continue to enroll new students almost weekly.

All of our lockers will hold a standard book bag and coat, along with smaller items. Students really do not have many textbooks any more as many of our resources have gone digital or class sets of books are used in the classroom. If your child has items that will not fit in their assigned locker, please contact me directly and I will be glad to look into your concern. If you would like to see your child’s assigned locker, you can contact me to make an appointment to come in. Thank you for the questions!

WMS Staff Nominations:

Has a WMS staff member exceeded your expectations? Please visit the awards page on the FCPS website, www.fcps.org. (About Us/Awards Program/All Star)

There are several ways that you can nominate one of our outstanding teachers or staff members for the FCPS special recognition.

Car Rider pick up for afternoon dismissal

Students who are a "car rider" in the afternoon should be picked up via the Walkersville library sidewalk during the afternoon dismissal.

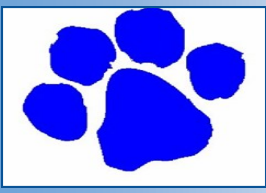

If you pick up your child as a car rider, please do not park in the library parking lot. This lot is not part of WMS property. You may park in our back lot (behind the gymnasium) or follow the car "queue" that lines up in the afternoon.

For safety reasons, please do not pick up car riders in the back lot behind the cafeteria; there is no supervision in the afternoon to assist with traffic and the parking lot does not accommodate additional cars at this time.

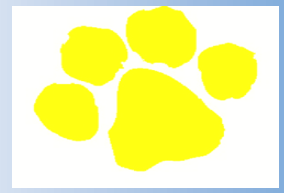

Thank you for your cooperation with this procedure to ensure safety of all of our students.

After making the decision to close for snow or other emergencies, FCPS uses MANY ways to communicate! Here are places to check:

- 3 www.fcps.org We post alerts to appear at the very top of each webpage, with details in the home page *News and Info* section. You can access the FCPS website from many devices. We even have a free mobile app you can download via the Google play or App store for shortcuts to the FCPS website, Facebook page and more.

1. From either of the above FOF links, SIGN UP for FindOutFirst EMAIL notices and TEXT messages. Delivery speed depends on your Internet Service Provider (for email) and your phone-service provider (for text messages), message length and other factors. FOF text messages are typically faster than email, which is slower but has room for details. Most subscribers sign up for both.
2. We notify about 30 local and regional radio and TV stations but cannot guarantee the accuracy of their messages. *There is a Frederick County Public Schools system in Virginia; make sure you're hearing information about **FCPS Maryland!***

Afterschool and Weekend Activities: Generally, when schools are closed due to inclement weather, school-sponsored afterschool and evening activities are canceled or postponed. On non-school days when the Snow Emergency Plan is in effect in Frederick County, unless the Superintendent grants a waiver, all afterschool, evening and weekend programs and activities are canceled or postponed, *including events scheduled by outside user groups*. Exceptions: Frederick County Parks and Recreation programs operating in community gyms in FCPS schools and daycare programs operating in FCPS schools (such as YMCA before- and afterschool programs) independently make and communicate their decisions regarding schedule **modifications**.

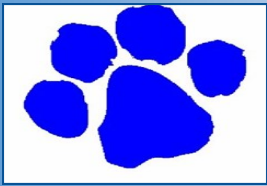

Snow Emergency Plan status is announced on local radio and posted on the Maryland Department of Transportation website: http://www.chart.state.md.us/StormInfo/snow_emergency_plans.asp

Parents are advised to review your *FCPS Calendar Handbook*, page 5, especially for information about pre-k and Career and Technology Center delays.

Administrative Announcements

School Lunches & Accounts:

All Frederick County schools offer nutritious breakfast, lunch and a la carte items approved by the U.S. Dept. of Agriculture. Students may also bring a bagged lunch from home. Students are encouraged to have a school lunch account, especially for emergencies where they may have left their lunch at home.

Parents can create a school lunch account by visiting www.myschoolbucks.com. The student's name and school ID number are required.

Benefits include:

- Up to 90 days of purchase history
- Automated low-balance emails
- Scheduled payments allow parents to pay weekly, biweekly or monthly if desired
- Low-balance payments can automatically add money when an account runs low

Families can download a mobile app for smartphones

Parents with multiple children in the school system can make one payment on one account and then ask FCPS Food and Nutrition Services to distribute money into the other accounts.

Deposit funds to your child's account by using a debit card, credit card, or checking account information at the website listed above. Parents can also send cash or checks into the school to be placed onto your child's account. Parents may also select "Meals Only" on the check if they prefer their child not to purchase a la carte items.

Sometimes students run low on funds in their school meals accounts. When this happens, elementary and middle school students can charge a regular breakfast or lunch to their account. High schoolers will receive and be charged for an alternate meal.

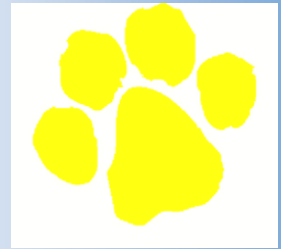

Schools will reach out to families by phone, email, or letter to let them know if a student is charging meals or is low on funds. Families can work with schools to pay for charged meals and to replenish school accounts. Schools can also help families complete an application for free and reduced-price meals as well, if needed.

Students who are hungry can have a hard time focusing during school. FCPS is committed to working with parents and families to make sure that no student is hungry. If you have questions or need assistance, please email us at food.service@fcps.org.

Free and reduced-price meals are also available to families with limited ability to pay. Eligibility is based on family size and income guidelines developed by the U.S Dept. of Agriculture. Meal applications are available in our guidance office or online at www.fcps.org. Applications may be completed at any time during the school year and the process is confidential. For more information regarding school meals, please visit page 4 and 25 of the FCPS calendar handbook, contact the FCPS Food and Nutrition Services dept (301-644-5061), email food.service@fcps.org or contact Administration. You can also visit the Frequently Asked Questions regarding school lunches. <http://www.fcps.org/food-services/Frequently-Asked-Questions.cfm>

Administrative Announcements

Other Important Reminders:

All absences, late arrivals, and early dismissals need a parent note or are unexcused. Be sure to include the child's first and last name. Even if you have called the school to report an absence, we still require a note upon returning to school. For a copy of "A Note to School" please go to <http://wms.sites.fcps.org/attendance>. To review the entire FCPS policy, please visit page 38 of the FCPS Calendar Handbook.

Address change: Please provide a new proof of residency (a copy of a property tax bill, gas bill, electric bill, water/sewer bill or a signed current lease/rental agreement; we are unable to accept phone/cable bills).

Custody: If there is a change in child custody, please share this information with our Counselors and Administration. It is extremely important that a copy of the current court document be delivered to the school and placed in the child's permanent record folder. Should the school not have this documentation, we are required to release your child to either parent upon request.

Wellness–Food Use: FCPS Wellness Regulation 400-82 states in part:

- For health and safety reasons, parents/visitors are only permitted to bring in food that is intended for consumption by their individual student.
- For health and safety reasons, students are only permitted to bring in food for personal consumption.

Weapons: Possession of any firearm or other weapon by a student on school property is strictly forbidden. This also includes look-alike weapons. The penalties for violation are detailed in the Discipline section of the FCPS handbook. Please remember it is a serious offense to possess a weapon of any kind on school property.

Bus Transportation

Students may ride only the school bus to which they are assigned. Inviting friends to ride the bus home is sometimes problematic as some busses are extremely crowded and over capacity.

Both students are required to have a parent note. This note must be signed by parents and turned into the front office to receive a special bus pass signed by Administration.

Drivers will not transport any student without this bus pass and/or any student who is not assigned to their roster. Students may only board and get off at their designated bus stop.

This request should be used for emergency situations only, not for transporting students to parties, work on school projects, etc. WMS administration is unable to approve large groups of students to ride a bus that is not their regular bus.

Please note that some notes may not be approved due to overcrowding. Thank you for your understanding and cooperation.
