

Brunswick High School Safe and Sane Class of 2021

We have thrown out the traditional dues letter that typically arrives each September to explain what we hope this year will look like! Much like our schools, we are formulating different plans to make this the best Senior year we can possibly make for our graduates. This includes Safe and Sane, the overnight celebration following graduation to deter drinking and driving. So here is what our Safe and Sane Committee decided on to be prepared for multiple outcomes.

We will be fundraising and have lots of virtual ideas and activities that we anticipate being very successful! The monies raised will go toward one of the options below.

Plan A: We are back to normal and we have our Safe and Sane Graduation overnight celebration at Adventure Park! Those seniors who have paid dues will enjoy a night full of rides, games, and awesome prizes, such as TVs, cash and many more! Fundraisers throughout the year will raise money for tons of prizes!

Plan B: We need to move our celebration to another location. This would be specifically if Adventure Park is controlling sizes of crowds OR even goes bankrupt (let's face it it's been difficult for lots of companies). This second location could be an abbreviated party that we would fundraise for to have games, prizes, great food and other exciting elements for our seniors!

Plan C: If we are still locked down the monies will be divided amongst those who have paid their dues. And those who have paid their dues will also be placed in a raffle for prizes! This cash can surely help as our seniors prepare for their futures!

So, NOW more than ever, we need your support! Please pay your dues ASAP so we can help the Class of 2021 have the best year possible!
