

## Greetings Parents of the 2023 graduating class!

It is hard to believe it now, but before you know it your student will be a senior and ready to celebrate graduation night with fellow classmates. Statistically, graduation night is the deadliest night for young adults. The Safe and Sane Graduation Committee is a nonprofit 501(c) 3 organization established to address the very serious issues of youth drinking, drug use, and driving behavior during one of the highest risk social events of their lives.

The Safe and Sane Graduation Committee is committed to keeping the students of the Brunswick High School graduation class of 2023 safe on the night of their graduation and their parents sane by eliminating worry and providing a supervised all-night celebration. The event typically takes place as a lock-in at Adventure Park USA in New Market, Maryland. The total cost of \$180 per student includes bus transportation to and from the event, admission, unlimited food and drinks as well as full, unrestricted access to gaming and rides.

In an attempt to avoid excessive senior year fundraising to accomplish a night the graduates will want to participate in and remember for the rest of their lives, we are asking that all students who plan to attend contribute to the cost of their graduation celebration. The fees can be paid all at once, or through four installments, whichever method is most convenient for you. Two installments will be due this school year, one next year and one early the senior year. **We are offering a discounted onetime payment of \$160 if you pay in full by 3/15/2021.** We are also offering to accept credit card payments via PayPal. If you would like to use this payment option, please submit payment through your personal PayPal account to [bhssafensane2023@gmail.com](mailto:bhssafensane2023@gmail.com) (select "sending to a friend"). Also, in the note section enter your student's name and "Class of 2023". Please complete the enclosed form and mail it indicating you paid via PayPal or include a check made payable to:
