

Centerville Elementary School is excited to share a new virtual after-school opportunity for families and scholars!

## **Star Family Support**

Are you falling into the “black hole” of virtual school?  
Our CES staff is ready to help!

Beginning Tuesday, September 22nd, CES scholars and their families can log into our [“Star Support” Google Meet](#) from 4-5pm to get virtual after-school assistance from CES Staff. This support will be available Monday-Thursday each week.

Join us online with your questions about:

- ★ Navigating Schoology
- ★ Lexia Core 5, Kami or other digital tools
- ★ Student assignments

Families can also sign-up for one-on-one virtual appointments between 5-6pm (Monday-Thursday) to receive support from our CES Staff using this Calendly link:

<https://calendly.com/cesls/star-family-support>
