

Second Grade Happenings

September 2018

Can you believe that school is starting? We can! We are so excited to be a part of your child's daily life and looking forward to a year filled with learning and successes every day.

Lesson Outcomes

Writing: This month in writing, students will be writing narratives. Writing personal narratives allows a writer to express feelings and share a small moment in their life with a reader.

Students will focus on adding details and writing a beginning and an ending to each narrative.

They will also set a goal for themselves as writers. As a parent, you could talk with your child about small moments within his/her life.

Reading: Students will read nonfiction text and answer who, what, where, when, and why questions and learn to locate key details. As students read nonfiction text at home; ask who, what, where, when and why questions. If they are unable to recall the information, take time to locate the answers within the text.

Math: In unit 1, students will understand that a three-digit number represents hundreds, tens, and ones; skip count by 5's, 10's and 100's from any given number, write numbers in different types such as word form and standard form, and be able to compare numbers. As a parent, you

could share the following links with your child:

http://www.abcy.com/base_ten_fun.htm

<https://www.ixl.com/math/grade-2/convert-to-from-a-number-up-to-hundreds>

You can also talk about numbers and ask how they know a number is less than or greater than another number.

Social Studies: Our compelling question for the month is "How can we be good citizens in our community?" Talk with your child about respect, kindness, responsibility, and safety.

Daily Agenda Reminder

Please check your child's agenda daily for notes, second grade events and for homework assignments. We ask that parents/guardians sign this daily.

Note of Interest

We welcome Ms. Drass to our second-grade team and are looking forward to learning and working with her.
