

*Omega Psi Phi Fraternity, Inc.
Alpha Lambda Lambda Chapter
Frederick, MD*

Greetings to the students, administrators, faculty, staff and parents of the Frederick County Public School. Omega Psi Phi Fraternity, Incorporated was founded November 17, 1911 at Howard University. The Alpha Lambda Lambda Chapter was chartered on October 19, 2000. The Talent Hunt Idea has become one of Omega Psi Phi Fraternity's National Projects, with all graduate chapters mandated to conduct an Annual Talent Hunt Program. On the Local and District levels, the project is competitive. At the National level, the program is both competitive and demonstrative.

The Omega Psi Phi Fraternity, Inc. Talent Hunt Idea was created in the Fraternity's Sixth District (North and South Carolina) in 1945, and the first District Talent Hunt Program was held in Charlotte, North Carolina, on April 19th, 1946. The need for such a program was born out of the unequal opportunity afforded to some American youths to develop and give full expression to their talents.

The original statement of the Talent Hunt Idea included this expression: "Creative and outstanding capacities in any honorable activity should be eligible for consideration." In presenting the first public program, the displays of talent were limited to the field of music.

Individuals competing in the Alpha Lambda Lambda Talent Hunt must submit an application. All applications must have a parental consent form.

For 72 years, the Omega Psi Phi Fraternity Inc. has sponsored their International Talent Hunt Showcase. The program was started to give high school students an opportunity to showcase their talents in several different disciplines. Today, students perform in vocal, instrumental, dance, spoken word, and visual arts categories.

The 2019 Talent Hunt show will be held on March 29, 2018 at 6:30 pm at Ballenger Creek Middle School. Contestants must be in high school at the time of the event. Audition files will be previewed and finalist will be chosen to perform in the show. Awards will be distributed as follows:
