

PARENT PERMISSION SLIP – ASVAB TEST

Dear Parent/Guardian:

The Armed Services Vocational Aptitude Battery (ASVAB) is the most widely used multiple-aptitude test in the world. The ASVAB measures your strengths, weaknesses, and potential for future success. It also provides you with career information for various civilian and military occupations and is an indicator for success in future endeavors whether you choose to go to college, vocational school, or a military career. The ASVAB is administered to any interested OHS student (grade 10, 11, 12) for free.

The test will be administered on **Friday, December 10, 2021 from 7:30am-11:00 am** at Oakdale High School by a member of the ASVAB Career Exploration Program. **Your student is required to make up any missed work from his/her classes.** If you would like for your son/daughter to take this test, please fill out the form below and return it to Mrs. Harding in the Guidance Office by **Wednesday, December 8, 2021.**

Please note that there is **no commitment to the Armed Services before/during/after taking the ASVAB. It truly is an excellent career assessment tool to help assist with identifying interests and strengths/weaknesses.

Visit <https://www.asvabprogram.com/> for further details about the program.

Oakdale High School Guidance Office
