### Become a Leader

The American Legion Auxiliary Maryland Girls State is a premier leadership program for young ladies who have completed their Junior year of high school. Our participants come from various backgrounds, schools, and communities across Maryland, yet they share a common drive to learn, grow, and become future leaders.

#### Civic Education

We provide a hands-on understanding of the structure and functions of government at the local, state, and national levels.

#### Patriotism & Americanism

We educate on the Mission and values of the American Legion Auxiliary as well as some of the programs they promote.

#### Leadership Development

Participants have the opportunity to run for and hold various elected offices, which helps develop leadership skills.

## Testimonials

### **OLIVIA WEBSTER - MD GIRLS STATE SENIOR SENATOR 2023**

"I entered ALA MD Girls State not knowing anyone, having limited experience in politics, and in a completely new environment. Throughout the week I met some of the most inspiring girls, got hands on experience in how the state is run, and became more confident in myself and my abilities. The memories and empowerment I gained there will continue to stick with me, and I'm forever grateful for the way I was challenged and pushed to my full potential."

### **BRIANNA S. JACKSON - MD GIRLS STATE GOVERNOR 1997 & FORMER ALA MD GIRLS STATE DIRECTOR**

"American Legion Auxiliary Maryland Girls State CHANGED MY LIFE! The best part was that I gained leadership skills and self confidence. The things I learned at Girls State have stayed with me and significantly helped me in my college and professional career"

### **OLIVIA ANTIGUA - MD GIRLS STATE JUNIOR SENATOR 2016**

### **DANA HAMMOND - MD GIRLS STATE JUNIOR SENATOR 2023**

"ALA MD Girls State was a fantastic opportunity to gain first hand experience with leading and representing people as well as learning from those who have served in political positions in real life.
