Dear Parent(s)/Guardian(s),

Frederick County Public Schools (FCPS) invites you to complete a parent survey and share your responses with your child's school. FCPS understands that helping students work to their potential is a collaborative effort among parents, students, and schools. Consequently, we are requesting your feedback in order to continue to build on our strengths and work to make improvements as a partner in your child's education.

You can participate in the survey either [online or by paper](#). The survey will take approximately 15 minutes to complete.

- Access to the online survey is available via computer or smartphone. Please follow these steps for completing the survey online:
 1. Go to <https://www.surveymonkey.com/r/HH2M98C> or scan the QR code using your mobile device
 2. Enter the following password for Oakdale High School: **0920**
 3. Complete the survey
- Paper copies of the survey will be available at the front office of the school from Monday, November 6 through Wednesday, December 6, 2017.

A Spanish version of the survey will be available. If you are a parent/guardian needing assistance with reading and/or interpreting this survey in a language other than English or Spanish, please contact the school and someone will be happy to assist you.

If you have more than one child attending a school, please complete only one survey. Your survey responses should reflect your overall thoughts and opinions of the school. If you have children attending more than one FCPS school, please complete the survey for each of the schools your children attend.

Your feedback is important to us! However, please know that your participation in the survey is completely voluntary. Your survey responses will remain confidential and anonymous. Information collected from the survey will be summarized with other parent survey responses. We will not collect any personal identifying information regarding your child on the survey. At any point, you may choose not to answer or skip a question on the survey. **We ask that you please complete the survey by Wednesday, December 6, 2017.**

If you have questions or require additional information regarding the survey, please contact the school.

We appreciate your time and value your comments! Thank you.

Sincerely,

Mike Markoe
Deputy Superintendent

You can scan this code with your mobile device to access the survey for your child's school!
