

ELITE Academy for Aspiring School-Based Administrators

OUR VISION

To become the premier leadership development program in the country, where current and future leaders are inspired to embody innovative and futuristic leadership practices.

OUR MISSION

To reach, challenge, and prepare aspiring educational administrators by championing transformational and visionary leadership through the advancement of fundamental leadership principles, innovative instructional practices, collegial relationships, and optimal performance amongst participants.

Funding for the ELITE Academy is provided by a Title II-A grant from MSDE
