8th Grade Move-Up Day Permission Slip

OMS 8th graders will be going on a field trip to Oakdale High School on Thursday, June 2, 2022 from 9:00AM - 11:00AM for the annual "Move-Up Day." During the trip, students will walk to Oakdale High School and meet with OHS school counselors, administrators, as well as other OHS staff members. While there, students will have an opportunity to tour the building, ask questions, and learn about OHS expectations and other important information to help create a smooth transition to high school.

Students will be walking to and from OHS for this event (**rain or shine**). Students are encouraged to wear appropriate clothing (be prepared for bad weather) and footwear as the walk will take roughly 15 minutes one way. All OMS and FCPS rules/expectations will be followed during this field trip. Any student who violates the rules/expectations may lose their privilege to participate in our planned end of year activities including, but not limited to the 8th Grade Awards Ceremony/Celebration, the 8th Grade Dance, and/or Eagle Fest.

This trip is always exciting and serves as a great way for our students to become familiar with OHS, their staff, and their expectations. I know that our students will do a fantastic job representing OMS and I look forward to being able to participate in this event with them.

Any student who plans to participate in this field trip should return their completed/signed permission slip to Mrs. McCracken in the cafeteria by Friday, May 27, 2022.
